HELLO,

With The Gift Label it is effortless to keep the giving going. Giving is a circle of goodness. Giving brings us closer and builds us up. When we give, we get back. Nothing feels better than to give to each other, to yourself, and to the planet and community. A gift that hits the mark on so many levels is priceless. To help you get it right every time, we've made bold and uplifting gifts that make giving easy for you to enjoy doing it more often.

We make easy-to-love gifts that care for the body and home with high quality, sustainable materials that re-use and recycle, and respect the planet. Our candles, soaps, cosmetics, and fragrances are made from high quality ingredients that do no harm: vegan, sulphate free, paraben free, dye free, BOTtles made from 100% recycled plastic and tubes from bio-based sugarcane plastic, and made locally in The Netherlands. With bold graphics and uplifting quotes The Gift Label helps people to connect and give love.

Personalized messaging that makes your gift stand out. We try to design gifts that uplift someone's mood and give back to communities. Giving is about making someone else happy or feel better. When it feels this good for everyone - let's keep on giving. We gladly welcome you as a member of this community.

“KEEP ON GIVING”

In this lookbook we proudly present to you our High Summer collection of 2022.

“THE PROCESS OF MAKING”

TIME TO GLOW!

Our new High Summer collection contains lots of newness. The prints are made in a particular way with marble paint. Our designers put a lot of effort in creating these special patterns by dripping paint in water basins and printing it upside down on paper. Here you see the result in four energetic and flowy mixtures of summery colours.

Next to our best-selling hand soap and hand lotion, you are offered new products like body milk mist and shower oil. All products are produced locally in the Netherlands. We also created a new fragrance for this line. The scent of Bergamot & Jasmine Petals kisses you on the cheek with apricot, tangerine and roses. It takes you to a place that feels like summer. The recycled plastic bottles are made from 100% recycled plastic and come in a new shape with new quotes that create a sunny and fresh vibe.
