WELCOME TO THE Hospitality COLLECTION

This new and exclusive line is now available for **hotels, restaurants, bars and gyms**. We offer a complete selection of hand and body care for your guests to enjoy, making them **feel welcome and at home**.

We offer you the opportunity to **customise a print and quote** that perfectly fits your establishment. Besides the option of fully **personalising** the label of the bottles, we offer our signature prints to choose from in three different styles: beige, black/white & colourful.

- All products are *vegan and free of parabens, sulphates and dyes*.
- All refillable 500 ml bottles are *made from 100% recycled plastic*.
- The 5000 ml refill cans are *made from bioplastic*.
- *Made in the Netherlands*.

PERSONALISED REFILL Collection

Our **hospitality refill collection** offers the body and hand care that guests long for. The **hand soap** and **hand & body lotion** will fit perfectly in any bathroom.

The **body wash**, **hand & body lotion**, **shampoo** and **conditioner** take care of the complete shower ritual.

All 500 ml bottles are refillable with **5000 ml refill cans**. To reduce our impact, we do not offer mini sizes.

As every hotel or restaurant has its own look & feel, we offer the option of personalising your own customized label. Our team of creatives would love to help you design a print and quote exclusively for your establishment.
