LA DOLCE VITA!

This summer, The Gift Label takes you on an unforgettable trip through beautiful Tuscany. Warm days at the beach, late dinners in Lucca, Vespa rides through the streets of Florence, and getting lost in the romantic Tuscan Hilltop towns. This collection is inspired by The Citrus Garden in the heart of Tuscany. Bring your travel pouch to the beach to rinse off the salt water of the Mediterranean Sea.

Your loved ones will adore receiving our Heart shaped gift box filled with delicious goodies, and treat the men in your life to a delicious hand soap and body wash combo with the fragrance Tangerine Zest & Tobacco Leaves. Find our mouthwatering orange print on your favourite products and match them with the new iconic lemon print. Feel as if you are in Nonna's kitchen with the authentic tiles pattern and the jasmine print will brighten up every room. Quick.. close your eyes, hop on your red Vespa and let's travel together through this sweet, Tuscan Dream. La Dolce Vita!

Inspired by The Citrus Garden in the heart of Tuscany, this sweet La Dolce Vita collection is enriched with the delicious fragrance of Silky Jasmine & Grapefruit Zest. Close your eyes and smell the refreshing and calming scents of citrus and florals. We enriched this delicious scent with a heart of warm mineral amber, calming tea leaves, and white sandalwood. Silky musks, smokey benzoin resin, and cedar wood chips form the base of this scent to capture the warmth of the Italian countryside. This delicious and mouthwatering fragrance will make you feel relaxed and energised, like waking up from a nap at the beach. Silky Jasmine & Grapefruit Zest smells good on everyone and makes you feel confident. It's the perfect scent to bring with you on vacation to remember your trip, to wake you up with the fresh scent of citrus, and to relax after a long Italian dinner. Ciao Amore!
