A BIG WELCOME TO THE GIFT LABEL'S HOSPITALITY COLLECTION!

This new and exclusive line is now available for hotels, restaurants, bars and gyms. We offer a complete selection of hand and body care for your guests to enjoy, making them feel welcome and at home.

Our high quality products do no harm: **vegan, free of parabens, sulphates and dyes.** The bottles are made of **100% recycled plastic** and are **made in the Netherlands.**

CUSTOMISE

We love to inspire you all the way: from personalising the care you offer your guests, to the moment they experience our products that bring softness to hands and body. For this reason, we offer you the opportunity to customise a print and quote that perfectly fits your hotel, restaurant, bar or gym. Next to the option of fully personalising the label of the bottles, we offer our signature prints to choose from in three different styles: nude, black/white & colourful.

With love, The Gift Label.

PERSONALISED REFILL COLLECTION

Our hospitality refill collection offers the body and hand care that guests long for. The hand soap and hand & body lotion will fit perfectly in any bathroom. The body wash, hand & body lotion, shampoo and conditioner take care of the complete shower ritual. All 500ml bottles are refillable with 5000ml refill cans. To reduce our impact, we do not offer mini sizes. The entire collection smells like **mandarin musk** and is sulfate and dye free. All refillable **500ml bottles are made of 100% recycled plastic**, and the **5000ml refill cans are made of bioplastic**. As we do our best to produce our products with as much as possible responsibility and care, **the production takes place in The Netherlands**.

CUSTOMER JOURNEY

CORPORATE

GIFTING

Giving is a circle of goodness.

Whether it's a gift for one special friend, or a group of your favourites, giving brings us closer and builds us up. When we give, we get back. Nothing feels better.

But giving is like a muscle. The more we do it, the stronger it gets. And if we don't do it often, it can feel difficult. There's nothing worse than spending time and money on a gift that doesn't hit the mark.

To help family, friends, lovers, and colleagues get it right every time we've made bold and uplifting gifts that make giving easy. So you can enjoy doing it more often.

When it feels this good for everyone – let's keep on giving.

We offer a wide range of gifts for your guests to take home as well as gifts for your relations and employees.

SOCIAL RESPONSIBILITY

We believe that The Gift Label has the power to change lives. **Our brand essence is giving and giving back.** The essence of giving is unconditional and never stops: giving and giving back is a loop of human kindness. With our products we would like to inspire others to give more, and we try to lead by example by giving whenever we can.

Every day, we try to keep developing our products more and more sustainable. It's a long way to a better future. Step by step we will find solutions that contribute to a better world for you, for us and for our planet.

Throughout the years we have improved the jar of our salt scrub, **we replaced the virgin plastic with 100% recycled plastic** and we eliminated PEG from our hand soap.

We participated in different projects, such as the Plastic Brick Project and Stichting Noordje. In addition, we donated part of our stock to Lesbos with Because We Carry and in cooperation with YourSurprise.

Do you want to know more? Please visit our website **and have a look at our Corporate Social Responsibility report.**

There is still so much to develop and improve, and we are 100% motivated to contribute to the essence of giving back.

Let's rock and continue doing our best.
