SOCIAL RESPONSIBILITY

We believe that The Gift Label has the power to change lives. **Our brand essence is giving and giving back.** The essence of giving is unconditional and never stops: giving and giving back is a loop of human kindness. With our products we would like to inspire others to give more, and we try to lead by example by giving whenever we can.

Every day, we try to keep developing our products more and more sustainable. It's a long way to a better future. Step by step we will find solutions that contribute to a better world for you, for us and for our planet.

Throughout the years we have improved the jar of our salt scrub, **we replaced the virgin plastic with 100% recycled plastic** and we eliminated PEG from our hand soap.

We participated in different projects, such as the Plastic Brick Project and Stichting Noordje. In addition, we donated part of our stock to Lesbos with Because We Carry and in cooperation with YourSurprise.

Do you want to know more? Please visit our website **and have a look at our Corporate Social Responsibility report.**

There is still so much to develop and improve, and we are 100% motivated to contribute to the essence of giving back.

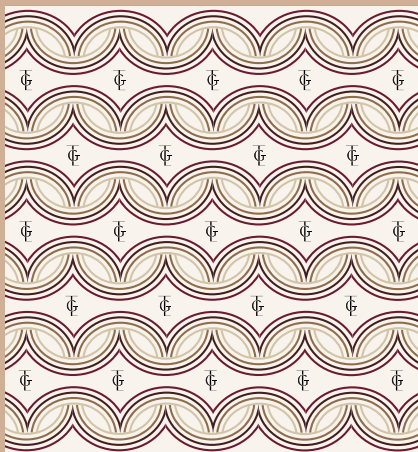

Let's rock and continue doing our best.
